

Boomsatsuma

The Olympus Academy Trust has partnered with Boomsatsuma, which is a post-16 education provider that specialises in the creative industries.

Boomsatsuma courses are designed to replicate the professional expectations and experiences of the workplace. For example, students work on authentic industry briefs, and are taught by industry practitioners. Students produce work for industry clients, commercial partners and third sector organisations including Films at 59 and the BBC.

Boomsatsuma offers a strong IAG program with specialists providing advice and guidance to help students make informed decisions about their education, career paths and personal development.

Boomsatsuma students at Patchway Community School

We have 173 students on-role at Patchway Community School.
This is broken down as follows:

97 Students in Year 12

76 students in Year 13

57 Games, VR and VFX in Year 13

52 Games, VR and VFX in Year 13

40 Sport Media in Year 12

24 Sport Media in Year 13

Games, VR and VFX and Sports Media are Level 3 Extended Diploma (post-16) programs. These are taught at the Leadworks, Millennium Square.

Students in both cohorts requiring Maths and English resits take these at Patchway Community School.

Game Design is delivered onsite at Abbeywood Community School in study Block A. This is a 1 A-Level equivalent allowing students to study 2 other A-Levels or equivalent simultaneously. After the course, students can progress to Higher Education or employment. The course carries UCAS points that are recognised by universities.
