

## 2023 – 2024 Enrichment Week (Term 6)

### *Day Trips and Base Patchway*

For the Enrichment Week this academic year, Day Trips and Base Patchway will be held **from Wednesday 10 July to Friday 12 July 2024.**

#### Overview

- All students in Years 7 – 10 will participate in this enrichment week.
- Enrolment and payment will be all conducted through **Arbor**. If you do not have an Arbor account, please check out <https://www.patchwaycs.org.uk/Arbor/> to register an account.
- No cash is allowed to bring to school for enrolling into trips.
- Registration and payment schedule on **Arbor will start at 6:00pm on Wednesday 31 Jan 2024.**
- **£10 of deposit** has to be made upon registering your child for any Day Trips.
- Places are limited for each activity and will be allocated based on a first come, first paid the deposit basis on Arbor.

#### Reminders

- The offer of participation for any given enrichment activity will be subject to each student's behaviour (conduct) and attendance (with all students aiming for a minimum of 96%). Thus, the school reserves the right to withdraw any student from any trip or activity at any point on the basis of student wellbeing, safeguarding, conduct, or any other reason that is in the best interests of the student, the enrichment trip/activity, and/or the school. Parents/carers and students will be informed if there is a risk of jeopardising a place on chosen activities.
- All paid monies are **non-refundable**, unless the school chooses to cancel the trip due to insufficient numbers.
- **No refunds** will be available at any point, as the school will have to settle the payment for destinations once reserved. This includes if your child moves or leaves the school.
- Once a choice has been made, it is **non-changeable**, due to the logistical impact and administration involved.
