

# Patchway Community School – New Build School

## Public Consultation

**When : Tuesday 4th February 2025**

**Time : 3:30 pm to 7:30 pm**

**Where : Patchway Community School, Patchway**

There are exciting new proposals for the development of the new Patchway Community School which we would like to tell you about.

We are holding an exhibition of the development proposals at the school before we progress it to a formal planning application.

This event will be an informal drop-in session where you will be able to view the emerging plans and discuss them with members of the team who are preparing the proposals, along with representatives from the Department of Education, the Olympus Academy Trust, and Patchway Community School, who will also be present.

We look forward to seeing you at this event and discussing these exciting proposals.

If you are unable to attend the event the presentation material will be posted on the Patchway Community School website following this Public Consultation.

The email address below can be used to make further comments on these proposals for those who wish to do so, or for those who are unable to attend the event in person.
