RE: Warm Weather

With the forecast of very warm weather next week, we are taking the decision to amend our school uniform for the week beginning Monday 22nd June to Friday 26th June.

Students will be allowed to wear either their full PE kit (school branded polo shirt, black shorts/tracksuit bottoms/leggings and trainers) or their normal uniform but without tie and jumper (grey skirt/trousers/tailored shorts and white shirt). Please be reminded that micro shorts are NOT permitted to be worn.

We are making these adaptations to ensure children are as comfortable as possible during the anticipated very warm weather. It is important students follow these amended uniform expectations. Any other non-uniform worn next week will result in sanctions being issued.

Please ensure your child always has a refillable drinks bottle with them. Students are permitted to fill their water bottles up during lesson changeover, break and lunchtime but will NOT be permitted to leave lessons to refill bottles.

Many thanks for your ongoing support.

Yours sincerely,

Mr Stephen Kneller
Senior Headteacher
