Parent Survey on school values

To support our ongoing school improvements and as we prepare for our exciting new build project, we wish to reflect on our school vision and values that drive everything we do at Patchway Community School. We are seeking your views on which values are most important to us and our community. We are inviting all our key stakeholders — students, parents, and staff — to share their thoughts. Please take a moment to fill out [this short survey](#). Thank you very much.
